

Dr. Keith Lawrence, Ph. d

Keith Lawrence is a Certified Natural Health/Nutrition Practitioner having degrees from the University of Natural Health in Brandon, MS and doctorates in Wholistic Natural Health, Nutrition and Nutritional Counseling and a doctorate in Natural Remedies. As a Husband, father and creative thinker, Keith has an inspired desire and goal of "educating our people to think and not be mere followers of other men's thoughts, not only concerning their health, but in every avenue of life."

For "My people are destroyed for lack of knowledge..."~Hosea 4:6.

As a Natural Health Lecturer, Keith has organized and presented numerous Science, Health and Nutrition Seminars, Stress Management, and numerous radio broadcasts in the greater St. Louis, Missouri Metro areas taught Biblical History classes and Medical Ministry through Natural Healing Principles. Elected as Health Chairman for the NAACP Branch #4071 at the Moberly Correctional Center in 1998, Keith Lawrence is the founder and CEO of *GEMS*, (*God's Emergency Medical Ministry Services*), an Educational Health Outreach Program and the *GEMS Natural Health Center*. He and his beautiful wife Precious Lawrence service the St. Louis Metropolitan area rendering free natural remedies and home health educational principles. Dr. Lawrence has more than 35 years of experience in the medical field in Nursing, Paramedical Emergency Medical/Trauma, Physician Assisting and Natural Health and Nutrition Lecturing. He has worked as a Medical Library Research Assistant for 13 years an Editor of the MCC Library Newsletter for more than 10 years. Dr. Lawrence has written more than 100 publications and he has authored numerous Medical and Health articles.

He is the author of several books, including *Blood Legacy of My People: Death of the Modern Myth of Sickle Cell Anemia*; *Mustard Seeds: Short Stories, People and Peculiarities*, *Lawrence's: Memoirs and Memories*, and *Mashalla!: The Prison Sojourn* and numerous short stories, Magazine Articles and Anecdotal columns. Two multiple volume sets of Children's Stories and Biographical Journaling. He is an inspirational Storyteller, writing and performing original audio and written works for children, youth and adults. As a recipient of the Editor of the Year Award in 1998, Keith writes with passion, humor and insight honed by years of experience and practical application. He is also an inspired artist who donates numerous paintings, drawings and collectable artwork renderings to nursing and rehabilitation facilities, schools and homes.

He also designs and creates interactive educational teaching programs and games including *Shogun, Conquest of the Empire, Thermopylae, Hannibal* and *Virion*. To date, Keith continues to lecture and tell Children's stories throughout the US. He is a well known and sought after Youth and Adult Storyteller known as *The Mustard Seeds Storyteller* and creator of *Keithlions Tales*. He has been extremely successful as a medical consultant and outstanding as a Healthy lifestyle Coach. Dr. Lawrence has genuine acumen for natural remedies, nutrition, health education Natural Medicine and Medical research. His unique experiences have helped to mold him into an exemplary healthcare strategist and problem solver which he attributes to acknowledging Jesus Christ as the source of all true healing.

"There are many ways, ideas and methods of health, but only one way which God approves."

The laws of nature are the laws of God—as truly divine as are the precepts of the Decalogue. The laws that govern our physical organism, God has written upon every nerve, muscle, and fiber of the body. Every careless or willful violation of these laws is a sin against our Creator.
